## The Standing Order Scheme

The AGM in November 2009 allowed "A standing order facility of £20.00 per month is made available for membership for those members who have been members for two years or more. This will cover the cost of membership, berth or rack fees and the annual Dinner dance. A refund at year end will be available if a member is in credit in excess of £50.00.

### How it operates

The club will set up an account for each member on standing order, at the beginning of each year the club will raise an invoice for the class of membership, berth or rack fees and Sunday tea. Later in the year an invoice will be raised for any Dinner Dance tickets requested. Your monthly payments of £20.00 will be allocated against these invoices. At the end of the financial year, if you are in arrears you will be requested to make an additional payment to bring you to a nil balance; if you are more than £50.00 in credit you will receive a refund to leave you £50.00 in credit.

### To apply

You simply need to do two things, firstly contact your bank, either by internet or writing to them and set up a standing order, to pay the sum of £20.00, preferably on the 6th of each month until you tell them otherwise. This is to be credited to
